

Payment Choices

Our office makes it easy and convenient to fit dental care into your budget. For your convenience, we offer flexible payment choices.

We accept cash, checks and most major credit cards.

Financing with CareCredit

It's easy to maintain a healthy and beautiful smile with CareCredit flexible payment plans. Financing is available through our dental office provided by CareCredit, which offers:

- Payment options to fit within your budget
- No application fee or initial payment
- Fast, easy and confidential

For more information please visit CareCredit, or call our office today.

If you have dental insurance:

We welcome many dental insurance plans and will gladly work with your insurance carrier to process your claim even if we are out of your network .

For any questions on our flexible payment options, please contact our office by email or call 386-734-2320
